Football Club: There had been complaints about the foul language being used during a recent football match with Stroud Football Club. Also a letter of complaint had been received about the amount of litter left behind by players and supporters after a match. Chris Freeman, Treasurer of the FC was made aware of this via Facebook and has apologised to those people who experienced the bad language. He has spoken to the team who have had complaints about players bad language in the past. Re the litter he thought that someone made sure all litter was collected after a match but would ensure that this does not happen again. Clerk to write to the parishioner re the litter.

The meeting closed 7pm.
